American Coalition for Ukraine Announces fifth consecutive Ukraine Action Summit in Washington, D.C.

Washington, D.C., September 3, 2024 — The American Coalition for Ukraine (ACU) announces the fifth consecutive Ukraine Action Summit, scheduled to take place from September 22-25, 2024, in Washington, D.C. This event will bring together grassroots activists from across the United States advocating in support of Ukraine's sovereignty and freedom.

The Ukraine Action Summit will focus on amplifying the voices of individuals and organizations in America that are committed to advocating for sustained U.S. support for Ukraine during this pivotal time.

As Ukraine continues to defend its independence and territorial integrity in the face of ongoing Russian aggression and repeated attacks on critical civilian infrastructure, the summit will highlight the importance of U.S. leadership in supporting Ukraine's resilience and future recovery efforts. Attendees will advocate for policies that ensure continued assistance to Ukraine and underscore the strategic importance of Ukraine for global stability and prosperity.

The summit will be an important reminder of the American people's commitment to global security and democracy. It will highlight broad bipartisan support for Ukraine's independence and sovereignty in the face of Russian aggression.
